11th December 2009

To ALL RTBU Members: CityRail Stations

RTBU WIN PAY FOR ALL CSA'S

Members would be aware of the ongoing dispute between RailCorp and the RTBU regarding pay rates under the new CSA pay structure.

The RTBU is pleased to inform members that common sense has prevailed and all CSA's that currently work on stations will be paid the "thereafter" second year rate from 1st December 2009 excepting those who have joined in the last few months who will be paid the 1st year rate. Those members will progress to the second year rate on the anniversary of their 12 months with RailCorp.

Senior delegates and activists are congratulated on their strong stance and the great outcome which will benefit in excess of 800 RTBU members.
