Bulletin No:10/2010

**TO: RTBU MEMBERS - CITYRAIL STATIONS**

## ***RTBU WIN OCR DISPUTE COMMITTEE***

Following protracted negotiations between RailCorp and the RTBU regarding how to deal with OCR disputes, the RTBU have secured an agreement with RailCorp to have OCR disputes heard by a joint union/RailCorp disputes committee following the completion of all OCR reviews.

This means that your union will be able to ensure that any decision made by RailCorp is one that is transparent and consistent with the OCR process.

This also means that category 2 and 3 stations (as outlined in Bulletin No 06) will now be reviewed and those from category 1 who have requested a review will now be scheduled for the team to visit your station.

Senior stations delegates are congratulated on their strong stand during this dispute and the great result they achieved by standing together.
