TO: RTBU MEMBERS (CITYRAIL STATIONS)

## RTBU MEMBER ASSAULTED ON BARRIER

Customer Service Attendant and RTBU member Peri Papageorgiou was assaulted last week when a passenger attacked him on a barrier at central.

Peri suffered severe head trauma and was rushed to hospital for emergency surgery.

Organiser Michael Farhat and myself visited Peri yesterday and we are pleased to report that despite his severe injuries he is in good spirits and on the mend.

Peri would like to thank his work colleagues and well wishers for their concern and assistance.

Members are advised that the RTBU are meeting with RailCorp this week for a full debrief of the incident and to ensure that RailCorp are doing all in their power ensure members are protected from such vicious and random attacks.

It is a timely reminder for station staff to take notice of RTBU Bulletin No. 21 Re opening of TVM's.

The RTBU will be requesting RailCorp conduct a safety seminar for station staff in a bid that workers have direct input into their own safety!

You will be kept informed.
